

**First and only TAMP recognized for achieving CEFEX Investment
Advisor certification for 10 consecutive years**

SPECIAL ANNOUNCEMENT

Robert J. Lindner and Lindner Capital Advisors were recognized for achieving CEFEX Investment Advisor certification for 10 straight years at the 2016 fi360 Insights Conference.

CEFEX was launched 10 years ago with a clear objective: To offer a means for firms and organizations to demonstrate adherence to the Global Fiduciary Standard of Excellence, as published by fi360.

Lindner Capital Advisors was one of the first firms to firmly commit to the fiduciary cause and voluntarily subjected themselves to this new, third party, independent assessment on an annual basis.

Today Lindner Capital Advisors is recognized as the only Turnkey Asset Management Company with this distinction and one out of only five investment fiduciary firms across the country to receive this honor.

Carlos Panksep, Managing Director, CEFEX | Robert J. Lindner, President, LCA | Blaine Aikin, Executive Chairman, fi360

"Lindner Capital Advisors continues to uphold our strong fiduciary standards and looks forward to the next 10 years of CEFEX certification!"
